**Spectators welcomed as 16 of the best players
in the world compete for a \$10,000 grand prize**
No admission charge

With sponsorship from the Oakland County Board of Commissioners Palazzo di Bocce is hosting a bocce tournament like no other. International Rules, 16 players from 8 countries and the Best of the Best bocce athletes!

The event is offering a chance for spectators to see how the game is authentically played. The sport of bocce is special on many fronts: Any age can play, low risk to injury, mental exercise entertainment, inexpensive and allows a team or individual to strive for excellence.

The tournament will take place Friday July 20 and Saturday July 21 2018. We are encouraging everyone to bring family & friends young or old to cheer for Palazzo players Jason and Jose who will represent the team USA. Jason and Jose have been and will continue practicing hard because they want to win first place for themselves, for Palazzo, for Lake Orion, Oakland County and for the USA!

Dining room open during regular business hours
